

## Curriculum vitae of Ning Ning

甯寧

智慧財產與科學部門解決方案顧問

湯森路透

Dr. Ning Ning is currently a Solution Consultant for Scientific & Scholarly Research at Thomson Reuters, based in Singapore. He works closely with key opinion leaders in academics and government departments in ASEAN and North Asia. He also represents Thomson Reuters at key thought leadership events to share the best practices in research and daily workflow solutions.

Ning Ning has more than 9 years of multidisciplinary research experience in circuits and systems, materials and devices, and computational neuroscience, with more than 30 publications in international peer-reviewed journals and conference proceedings. Prior to joining Thomson Reuters, Ning Ning was a Principal Investigator at Agency for Science, Technology and Research (A\*STAR), Singapore. Before that he was a Research Fellow in National University of Singapore.

Ning Ning holds a doctoral degree from National University of Singapore and a Bachelor of Engineering in Electronics and Information Engineering from Huazhong University of Science and Technology, China.
